They Said That Ernst Rohm is Dead

MUNICH 1934

ON THE LAST DAY OF

JUNE 1934

"On the night that Ernst
Rohm died voices rang out
In the rolling Bavarian hills
And swept through the
cities and danced in the
gutters
Grown strong like the
joining of wills

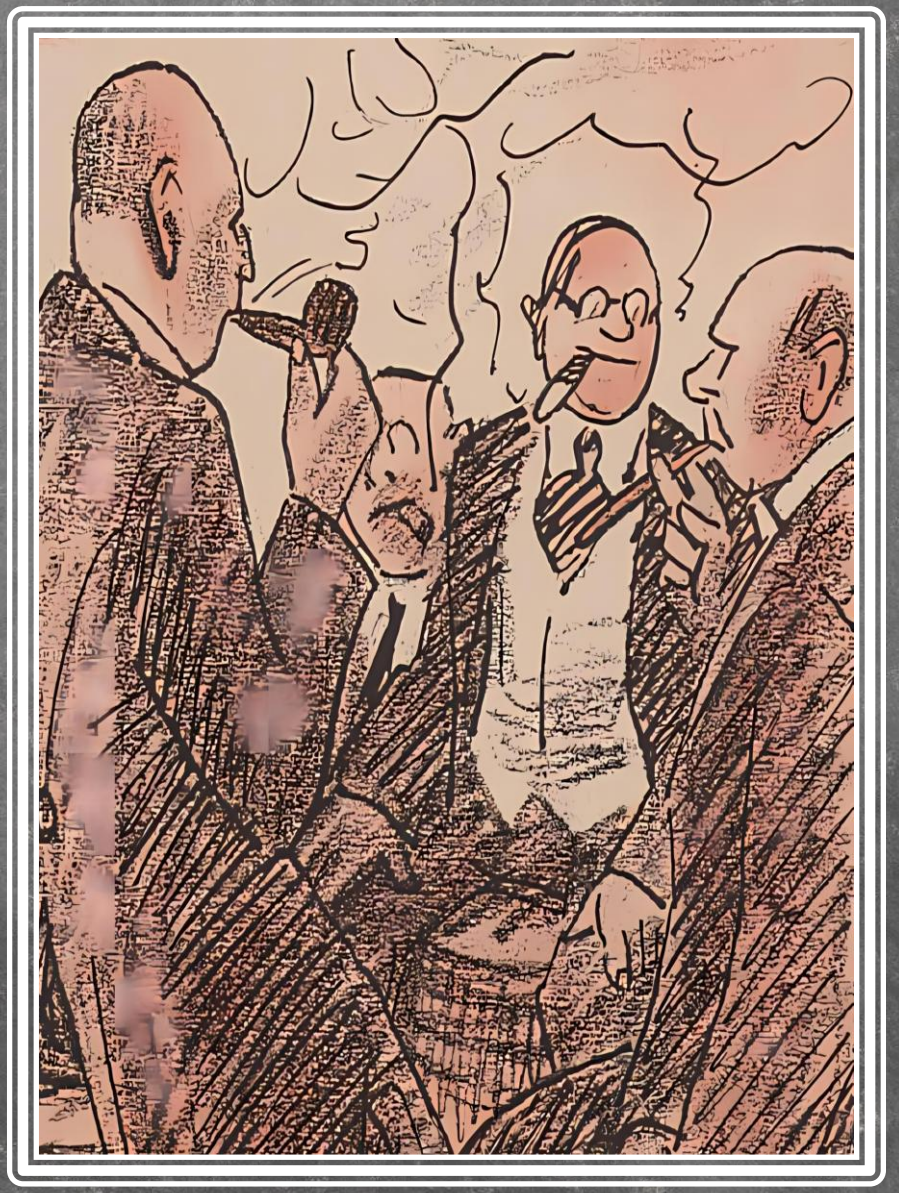
They Said That Ernst Rohm is Dead

MUNICH 1934

ON THE LAST DAY OF

JUNE 1934

You can't hold me, I'm
strong now I'm strong
Stronger than your law"
I sit here now by the banks
of the Rhine
Dipping my feet in the cold
stream of time
And I know I'm a dreamer,



They Said That Ernst Rohm is Dead

MUNICH 1934

ON THE LAST DAY OF

JUNE 1934

I know I'm out of line
With the people I see everywhere
The couples pass by me, they're looking so good
Their arms round each other, they head for the woods

They Said That Ernst Rohm is Dead

Munich 1934

ON THE LAST DAY OF

JUNE 1934

They don't care who Ernst Rohm was, no reason they should
Just a shadow that hangs in the air
But I thought I saw him cross over the hill
With a whole ghostly army

They Said That Ernst Rohm is Dead

MUNICH 1934

ON THE LAST DAY OF

JUNE 1934

of men at his heel
And struck in the moment it seemed to be real like before
On the last day of June 1934

- Al Stewart

They Said That Ernst Rohm is Dead

Munich 1934

Ernst Rohm was a formidable figure, a large man whose imposing presence belied a series of critical misjudgments that ultimately led to his downfall.

Among these was his controversial preference for the company of young boys, but more

They Said That Ernst Rohm is Dead

Munich 1934

significantly, he failed to grasp the transient nature of the immense power he wielded as the leader of the notorious SA Movement. Rohm mistakenly believed that his authority was absolute and could be exercised

They Said That Ernst Rohm is Dead

Munich 1934

independently, disregarding the essential support and approval of the Nazi Party leadership, particularly Adolf Hitler.

This miscalculation was compounded by the misguided encouragement he received from various agents representing a coalition of Western

They Said That Ernst Rohm is Dead

Munich 1934

powers, bankers, and other interests who, recognizing their waning influence over him, attempted to persuade Rohm that he could successfully challenge Hitler.

They underestimated the loyalty and ruthlessness of the Nazi regime, which ultimately rendered Rohm's

They Said That Ernst Rohm is Dead

Munich 1934

ambitions futile and led to his tragic demise. Ernst's fundamental error lay in his failure to recognize the shifting dynamics of the political landscape, which had evolved beyond the necessity for a cadre of embittered street fighters. These individuals had

They Said That Ernst Rohm is Dead

Munich 1934

initially played a crucial role in undermining the Weimar Republic, but the political climate had since transformed.

The populace of Germany, particularly in Munich, was now clamoring for a restoration of law and order, signaling a clear demand for stability and governance.

They Said That Ernst Rohm is Dead

Munich 1934

Instead of adapting to this new reality, Ernst clung to outdated strategies that no longer resonated with the needs of the people.

This misjudgment not only alienated potential supporters but also

They Said That Ernst Rohm is Dead

Munich 1934

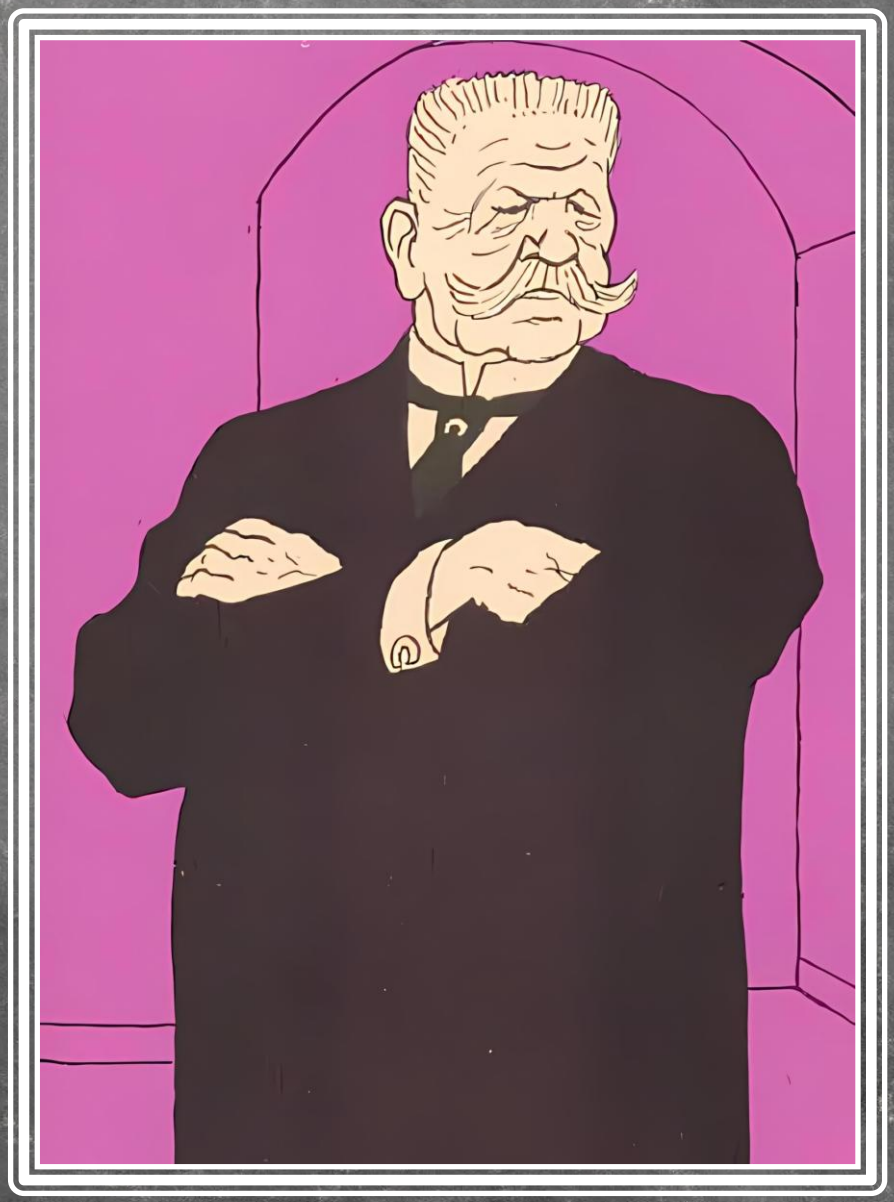
hindered the party's ability to effectively respond to the urgent calls for peace and security in the streets, ultimately jeopardizing its relevance in a rapidly changing society.

It was clear that the moment had arrived to

They Said That Ernst Rohm is Dead

Munich 1934

embrace legitimacy by forging alliances with the moderates and the more conservative elements within the military leadership. Without the support of these moderates and the backing of the German military



They Said That Ernst Rohm is Dead

Munich 1934

establishment, any attempt to contest Hitler's dominance over the party would be futile.

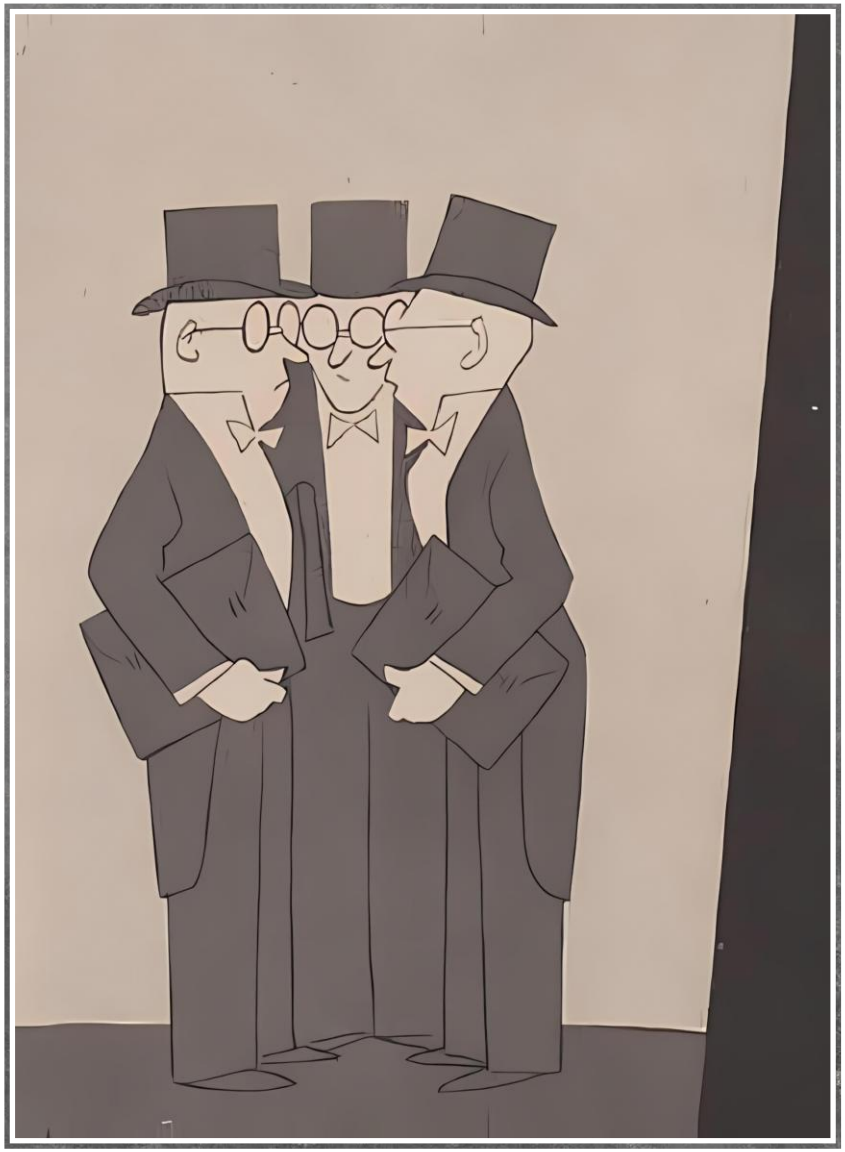
Moreover, Ernst, lacking in charisma and widespread appeal, found himself overshadowed by Hitler,

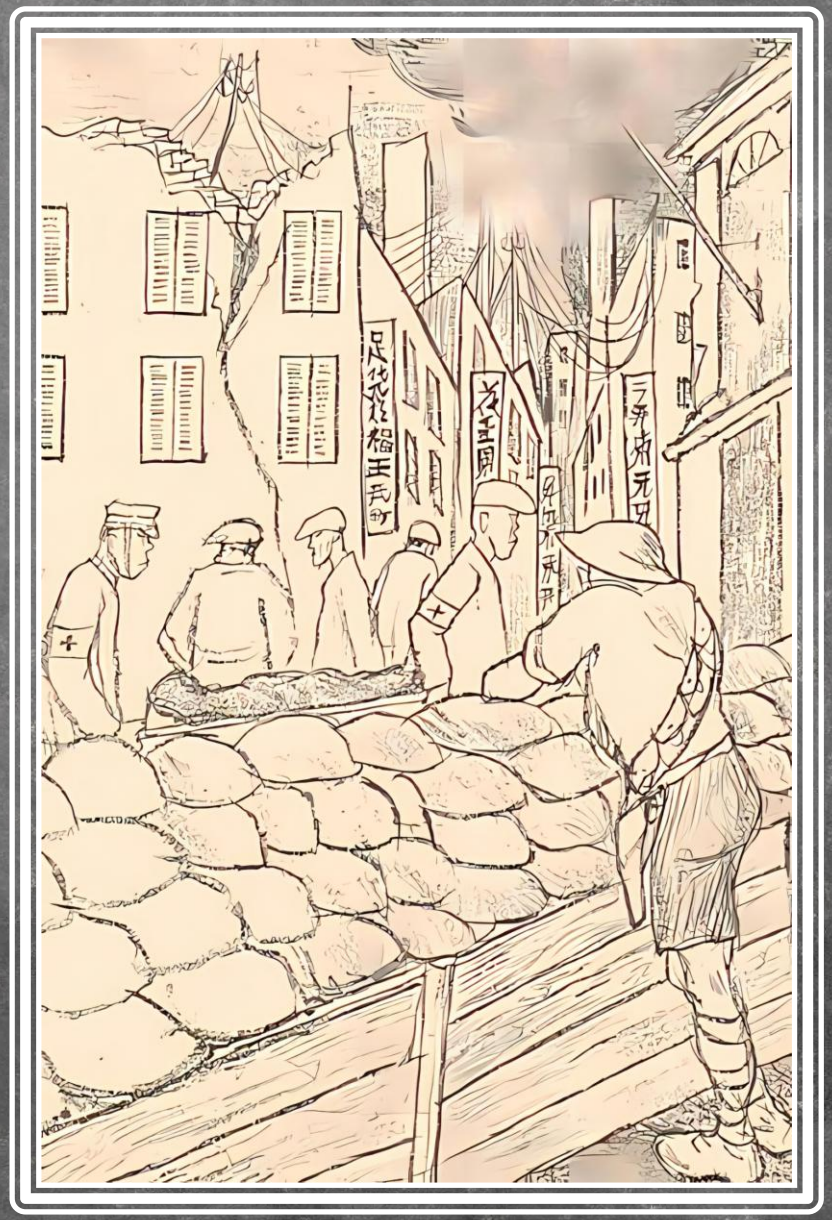
They Said That Ernst Rohm is Dead

Munich 1934

whose actions were widely interpreted as a commitment to restoring peace and stability.

Many viewed Hitler's promises of a modern economic revival as a pathway to reestablishing





They Said That Ernst Rohm is Dead

Munich 1934

Germany's status as a formidable global power. For the average citizen, Ernst's demise was perceived not as a tragedy but rather as a fortunate turn of events, signaling a hopeful future that had seemed elusive for nearly a

Munich 1934

generation.

As summer drew to a close in 1934, it became increasingly evident to the populace that Adolf Hitler and the National Socialist Party were beginning to fulfill their pledges to rejuvenate Germany's financial

Munich 1934

stability, industrial strength, and cultural prominence.

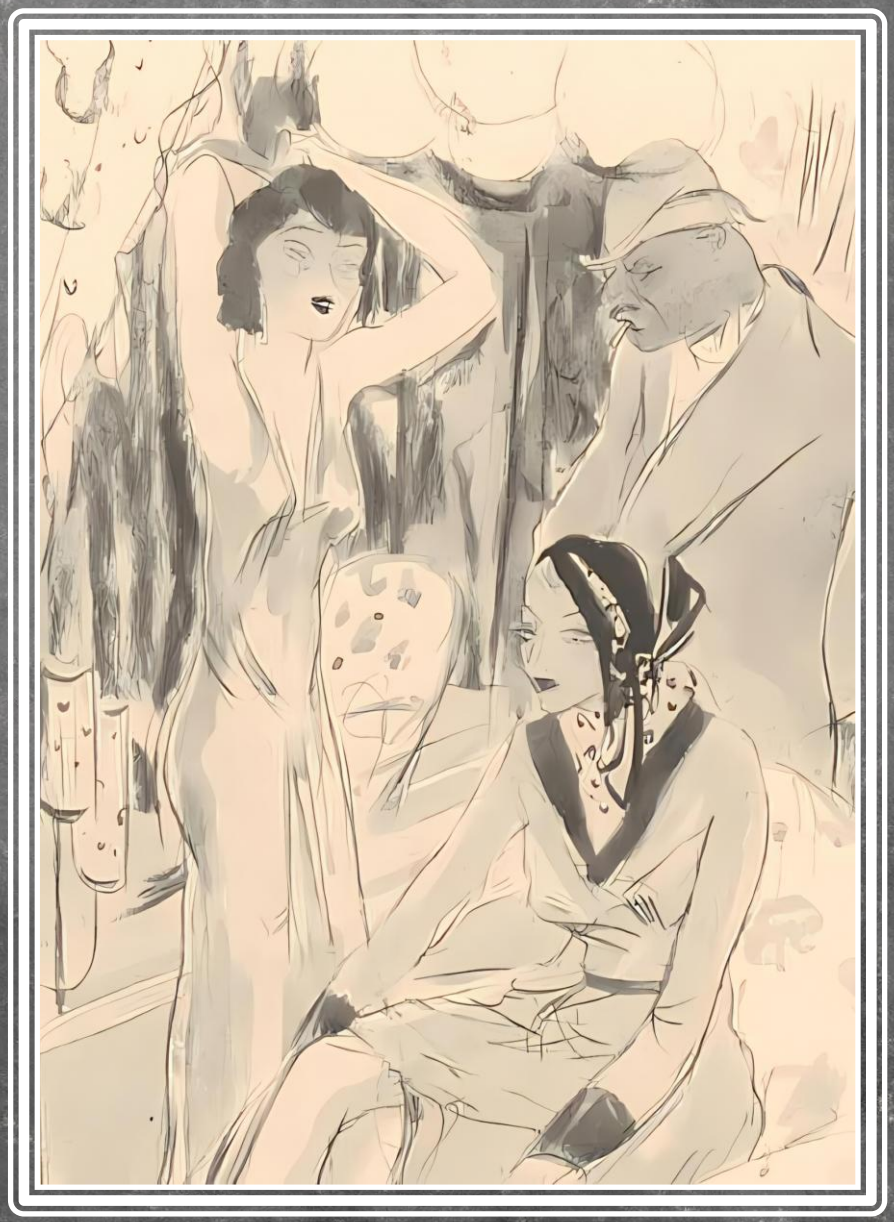
Many citizens felt a palpable shift as the oppressive "Nightmare Years" of economic despair and social turmoil appeared to be fading into the past.

They Said That Ernst Rohm is Dead

Munich 1934

The regime's initiatives, which included ambitious infrastructure projects and a focus on national pride, resonated with a society eager for recovery and renewal.

This sense of optimism, however, was layered with the complexities of



They Said That Ernst Rohm is Dead

Munich 1934

the political landscape, as the very promises that inspired hope also masked the darker realities of authoritarian control and the suppression of dissent. Then, again, this is 1934.

- Emil, 1934
